

Exploring Creation with General Science, 3rd Edition – Errata File

This file contains the corrections for the 4th Printing: May 2021, of the Student Notebook.

You can find which printing you have by going to the publications page in the front of your book. The printing for the Textbook, Solutions and Tests Manual, and Student Notebook may not be the same. Corrections for the Textbook and Solutions Manual are in separate files. (Updated August 2024).

Clarifications:

Experiment 13.1:

Page 19 – Week 29 Day 4 – Add: Set up and begin Exp. 13.1; Continue observations over weekend

Page 19 – Week 30 Day 1 – Continue Experiment 13.1 Day 5 observations

Page 19 – Week 30 Day 2 – Finish Experiment 13.1

Page 373 – In What to Do box, change instructions to: **Set up and begin** Experiment 13.1 using the lab report form in this notebook. You will observe this setup 6 days in a row, including any weekend days.

Page 374 – In What to Do box, change instructions to: **Make and record** Day 5 observations on Experiment 13.1.

Page 232 – On the periodic table, #117 was updated to the red shading. Initially it was left white because scientists had not yet determined its characteristics.

Corrections:

Page 16 – Week 12, Day 4: the pages to be read are 159-163.

Page 41 – Niels (Bohr) was misspelled.

Page 154 Figure 5.30 – On the y-axis, the labeled numbers for Luminosity should be 10^6 , 10^5 , 10^4 , 10^3 , 10^2 , 10, 1 and so on down to 10^{-5} . (10^3 was skipped and 10 was listed twice, so change 10^2 to 10^3 and change the 10 below it to 10^2).

Page 200 – On the Venn Diagram, the word ‘Climate’ should be at the top of the right circle (not in the overlapping space).

Page 551– The paragraph in the row for Conclusions and Connections to Text section, change the Connections sentences in the first 2 columns.

– The first column (4-5 point) should read: “Conclusions are complete, logical and very neat. Connection to text are accurately and thoroughly made. Data...”

– The second column (2-3 points) should read: “Conclusions are complete, logical, and legible. Some connections to text are made but may be lacking in detail. Data...”

Additional Corrections added August 2024:

Page 19 – Week 30 Day 2 – read pages **374** – 376.

Page 82 – Instructions at the top of the page – read pages 57 – **58**.

Page 377 – Instructions at the top of the page – read pages **374** – 376.
