

BABIES FOR DAYS

SUPPLIES

All you'll need is the attached game slides and a way to project them!

MODIFICATIONS

Try having students face off in small groups or use this as an opportunity to have students onstage.

HOW TO PLAY

All that collecting is paying off! Students will have to guess whether the actual price for each of the following rare Beanie Babies is higher or lower than what is listed. Team or student with the most correct answers wins!

NEXT LEVEL

Get students moving by designating areas of the room to coordinate with their response– where they stand in the room is their answer to the question!
