

# First Date Script

---

Guy: Thank you so much for coming on a date with me.

Girl: Thank you for asking me.

Guy: The food looks so good. Shall we eat?

Girl: Yes, this girl is hungry!

Guy: So, what do you like to do for fun?

Girl: Well, the normal things. I like to play sports, hang out with friends, collect belly button lint. I have over 90 thousand different shapes and sizes when it comes to belly button lint.

Guy: Wow that sounds amazing.

Girl: What about you? What do you like to do?

Guy: Well, I love to eat as you can see. But I'm kind of a nature buff. I like to eat with my hands. My favorite thing is to have a nice meal. Take both of my hands and really get a good mouth full of food. You have something on your chin. Let me help you out.

Girl: Oh thank you so much. I can be a messy eater. I'm having a wonderful time with you. This is so romantic. Would you like to try some of my dinner?

Guy: Yes, I would. Why don't you give me a bite?

Girl: Okay, open up. Here comes the train cho-cho.

Guy: That was so good. I really think we have some chemistry here.
