Verse 1

When I feel down I can seek your Spirit
And pray for your healing to find inner peace.
You help me put worries and inner angst
A long way behind me and give me your peace.

Verse 2

At times when I'm lonely I can sense your Spirit
Reminding me that you are with me right now.
You're friend to the friendless and hope to the suffering.
Light in this world let your joy from me sing.

Chorus

You travelled down the way of the cross
And rose anew through God's love
To show even just an ordinary "me"
Is special to the creator, not lost.

Verse 3

And when I'm directionless help me remember
The actions that flowed out of Jesus' own life.
Through patience, kindness, self-control, love,
He gave God's rich blessing to all those who came.
