

# Bank Headquarters in India for Competitive Exams

A bank is a financial institution. It accepts deposits from the public and gives loans. Customers can save money in banks and also request loans. Banks invest public money or give loans, to build up their reserve money. Every nationalized bank had more than one branch. All branches coordinated from one place, where most important functions organized from one location is called headquarters. Every bank exam chance to ask one question so prepare well. I have given important bank headquarters in India.
