COTTONSAFE[®]

NATURAL MATTRESS

Handcrafted in Devon

The Dartmouth

Our traditional hand side-stitched mattresses, **The Budleigh**, **The Dartmouth** and **The Topsham** have rows of border stitching reaching into 3 springs depth, as with only the best luxury mattresses. This skilled processes is time consuming and requires the upmost skill and care to give the mattress a fabulously supportive outer border and durability. These supremely comfortable mattresses feature handles and vents.

The Budleigh

Our Cottonsafe® range are handcrafted by experienced craftsmen using the finest natural materials with no glues, solvents or adhesives. Completely environmentally friendly and safe for your health, our ultimate luxury mattresses are fire retardant forever and are pure, natural and safe.

The Appledore and The Widecombe mattresses are designed with a side zip. The Appledore uses abundant layers of British wool and Cotton Rich felt which is amazingly breathable. The Widecombe is a splendid all wool mattress using up to 19 kilos of British Wool in a king-size mattress, with all the fabulous advantages of wool. Both mattresses are internally hand-sewn with flax to keep the fillings secure and have a sumptuous 1000 Active Support Pocket Spring system.

A unique patented blend of organic cotton & British wool

Completely chemical free – including all fire retardant chemicals

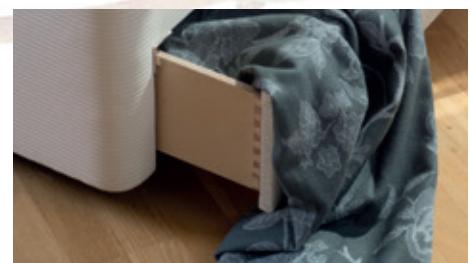

Meets all British fire regulations including contract
