

Kashyap community's pioneer leader (frontline leader) Manoj Kashyap was born in Delhi in a middle class family.

Father was a government officer who died when Manoj was just 9 years of age.

Besides studies Manoj Kashyap kept the enthusiasm for social upliftment in his mind.

For this reason only he is concerned about upliftment of 14 crore fishermen in the country.

Kashyap society in country comes under SC/ ST category , there are many states in which fisherman are kept under the category of SC/ST.

Mr. Kashyap wants this class of fisherman to be classified according to different states and in whole country the synonyms of SC/ST should be seen equally, reaping the benefits to fisherman class.

Mr. Kashyap considers his idol to be Mr Babu Jai Pal Singh Kashyap, following his pathways and standards he is determined to strengthen, educate and uplift this class which forms crore of population.

This will promote nationalism and dignity and curb Regionalism by using each other support and cooperation, which can strengthen our upliftment.

Our history of great social leaders gives us the motivation to follow their paths and keeping these memorable subjects in mind Manoj Kashyap has presented [www.kashyapsamaj.in](http://www.kashyapsamaj.in) for our unity and availability to society, definitely this will prove to be a milestone for Kashyap society because in future we are determined to cover marriage, employment, business, literature, politics, social activities and education among our Kashyap friends.

You along with your family and social friends become users and incorporate all the relevant details regarding you in this and become a part of social upliftment with us.

Yours
