
Go Where We See Your Way

Verse 1

We focus our minds today.
And lift up our voices to sing your praise.
We open our ears to hear
The words of your message loud and clear.

Verse 2

The pathway ahead we see.
Make us discern it strategically.
Help overcome our failings
Find your will for us so we loudly sing

Chorus

We want to go where we see your way,
Go where we see the next step ahead.
We want to be where the need is great.
Be where we can make a difference
In body and mind and spirit.

Verse 3

We take up the bread and wine.
The symbols of Jesus' awesome life
You raised him up from the dead
And your spirit breathes new life instead

Chorus

Bridge

We want to be right there
We want to be right there where you want us
We want to be right there
Where you send us

Verse 4

We pray you'll bless us today.
Through difficult journeys for strength we pray.
We know you'll be by our side
As we try to make you known worldwide

Chorus

Ending

Where you send us
