# *Go Where We See Your Way*

## Verse 1

We focus our minds on you.  
And lift up our voice to sing your praise.  
We open our ears to hear  
Your message to us loud and clear.

## Verse 2

The pathway ahead we see.  
Help us walk the path strategically.  
Help overcome our failings,  
Feel led to shout your praise and sing ....

## Chorus

We want to go where we see your way,  
Have faith to take the next step ahead.  
We want to be where the need is great.  
Be where we can make a difference  
In body and mind and spirit.

## Verse 3

We take up the bread and wine,  
The symbols of Jesus' awesome life.  
You raised him up from the dead  
Your spirit breathes new life instead ....

## Chorus

## Bridge

We want to be right there,  
We want to be right there where you want us.  
We want to be right there  
Where you send us,  
And nowhere else.

## Verse 4

For strength each day we pray  
In difficult journeys every day.  
We'll try to spread your love world-wide  
And know you'll be right by our side ....

## Chorus

## Ending

Where you send us.  
Wherever you send us you'll be on our mind.  
Whoever you send us you'll be on our mind,  
You'll be on our mind.  
Wherever you send us you'll be on our mind,  
You'll be on our mind.
