Abbey Care is an equine plan that spreads the cost of preventative healthcare for your horse, pony or donkey.

At Abbey Equine Clinic we understand how important it is to provide your horse or pony with the best care possible.

Abbey Care is not an insurance policy, it is a way of saving money and spreading the cost of preventative healthcare throughout the year allowing you to budget conveniently. In addition to the preventative health benefits, becoming a member will also qualify you for other exclusive discounts.

We have teamed up with Simplyhealth, who will collect your Direct Debits on our behalf and take care of the administration of the plans. This will free us to concentrate on looking after your horse.
