

## *Exploring Creation with General Science, 3<sup>rd</sup> Edition – Errata File*

This file contains the corrections for the 1<sup>st</sup> Printing: March 2019 and 2<sup>nd</sup> Printing: July 2020, of the Solutions and Tests Manual.

You can find which printing you have by going to the publications page in the front of your book. The printing for the Textbook, Solutions and Tests Manual, and Student Notebook may not be the same. Corrections for the Textbook and Student Notebook are in separate files.

There are no known errors for the Solutions and Tests Manual.

There was one error in the separate packet of Tests Pages. The 3<sup>rd</sup> page of the Module 3 Test was missing. It should be page 11 of the Test Pages containing questions #7-10. You can copy this page from the Solutions Manual page 19 to administer the complete test.
