# Possessions

## Verse 1

I ponder the question,  
"Am I obsessed by possessions?",  
In case I find greed has bewitched my mind.  
I remembered the rich man who asked for real life -  
Possessions for him were an obsession.

## Chorus

I should love people and use things -  
It's not the other way 'round.  
I should love people and use things -  
Real life and fulfilment be found.

## Verse 2

To someone who's needy my help I will bring  
And won't use up people to get more of things.  
The rich man ignored, "sell, and give to the poor"  
Though he'd store up riches in heaven.

## Chorus

## Bridge

It's what Jesus would do  
It's what I should do too  
Not be obsessed by possessions  
Not be ruled by possessions

## Verse 3

Thinking it through, won't my heart try to stay  
Wherever my treasure is hidden away?  
So I must declare that  
My treasures are where  
The Spirit of God can greatly use them.
