REAC/UPCS Training

Finally beat REAC...while spending less money!

U.S. Inspection Group

E-Mail: sales@usinspectiongroup.com

Address: 848 Livingston Rd, Ste. 101, PMB #53

Crossville, TN 38555

Phone: 866.863.8744 x103

Overview

Becoming a "HIGH PERFORMER" is completely dependent on your understanding that not all defects were created equal. Stop spending valuable resources on items that have little or no impact on your score. After spending only 1 day in our class, you'll have everything you need to become a "HIGH PERFORMER".

"We followed the steps you laid out and now we are a high performer."

"I had no idea there had been so many changes since our last REAC."

"We went from a 54 to a 92 because of your class and book."

"Because of you all our properties are now above 90!"

"I have attended at least a dozen different REAC classes, but this is the best one ever!"
