Newsletter for Sunday, January 27th, 2019

Youth Game Night

Plan to join the youth for an evening of fun **tonight from 6-8 PM** at Parish. We will have some group games and invite you to bring board games too. Everyone is asked to bring a snack to share. Paper goods and drinks will be provided. Text the Huttons with any questions (615-743-5174).

Baby Bottle Campaign

The Hope Clinic for Women in Nashville is a faith-based organization that offers pregnancy prevention education, counseling and assistance for those facing an unplanned pregnancy, and pregnancy-related support. They are busier than ever, and we would like to support their work through our baby bottle campaign. Please pick up a baby bottle in the foyer today, fill it with loose change, pray for the clinic and its clients, and return the filled bottle to church on February 10th.

Women's Discipleship Groups

Instead of our regularly scheduled Ladies' Bible Study, this Tuesday our monthly discipleship groups will meet. If you are not currently involved in this ministry and wish to know more, contact Ginny Morrison (ginnymorrison@hotmail.com).

Wrap Around Ministry Next Steps Event

Are you interested in caring for foster children, but don't know how to begin the process? Do you have questions about how it might affect your family? Please join us **next Sunday, February 3rd at 1 PM** in the chapel to hear from a panel of foster families and others who will help us understand more about fostering and give practical steps to begin the process. It is also a great time to find out more about our Wrap Around Ministry and how to support those who are fostering children. Those attending are asked to bring their own bag lunch.

Bible Reading Cards

Pick up your February reading card in the lobby on the table with the tithe box, or you may print your own from our website.

Book of the Month

Pick up a copy of our book of the month entitled *Inexpressible: Hesed and the Mystery of God's Lovingkindness* by Michael Card. This book is a study in the love of God throughout the Scriptures, as expressed by the Hebrew word *hesed*. It will be an excellent way for us to grow closer to God in the new year and to know His steadfast love is ultimately revealed in the Lord Jesus Christ. Plan to purchase a copy from the bookshelf in the lobby today.

Reasons to Believe Chapter Meeting

The Reasons to Believe Chapter will meet **this Tuesday from 7-9 PM** at Parish. Dr. Ken Wolegemuth will join us live via Skype to discuss how radiometric dating is used by geologists as well as the mechanisms used to verify its accuracy through virtually all of Earth's history.
