

ACCEPTABLE USE POLICY

1. CONTRACT STRUCTURE

- 1.1 This Acceptable Use Policy is the Acceptable Use Policy referred to in our General Terms and forms part of the Agreement between Hazy and Customer, as the same may be updated and/or amended from time to time. The current version of our General Terms is at <https://hazy.com/>.
- 1.2 Except to the extent the context otherwise requires, terms defined in our General Terms shall, where used in this Acceptable Use Policy, have the same meanings as given to them in our General Terms. The rules of interpretation set out in our General Terms apply to this Acceptable Use Policy.

2. ACCEPTABLE USE

- 2.1 When you're using our Software and/or services you must, and you must ensure your authorised users, comply with the requirements of this Acceptable Use Policy. A failure to do so will constitute a breach of the Agreement.
- 2.2 A failure to comply with certain requirements of this Acceptable Use Policy may be unlawful. Without prejudice to our other rights under the Agreement or at law, where this is the case (or we believe it may be the case) we may disclose your identity, your activities and other information we hold about you to law enforcement agencies.
- 2.3 Customer shall not
- 2.3.1 use the Software or our services to store, transmit or process:
- (a) infringing, obscene, abusive, indecent libellous or otherwise unlawful, tortious or objectionable content;
 - (b) content that infringes or misappropriates the Intellectual Property Rights of any third party; or
 - (c) viruses, Trojan horses, malware or other harmful or malicious code or materials;
- 2.3.2 use the Software or services in any way that is fraudulent, unlawful or in contravention of any consent, authorisation, permission, permit, licence, code of practice, instructions or guidelines issued by Hazy or any regulatory authority, or any third party's rights;
- 2.3.3 remove or modify any copyright or similar notices, or any of Hazy's or any other person's branding, that the Software causes to be displayed when used or that is displayed in the User Manual or on any packaging accompanying the Software if delivered on physical media;
- 2.3.4 install or use the Software, or permit it to be installed or used, on behalf of any third party or otherwise than for Permitted Purpose;
- 2.3.5 attempt to override, break down, avoid, bypass, remove, deactivate, circumvent, defeat or otherwise impair or interfere with any protection system, mechanism or measure or security

feature of or integrated into or provided with the Software;

- 2.3.6 access or use the Software in order to build or support, and/or assist a third party in building or supporting, products or services similar to the Software or otherwise competitive to Hazy (or knowingly allow or permit anyone else to do so);
- 2.3.7 except as expressly permitted by the Agreement, access or use the Software, or permit any other person to do so, for the purpose of providing services to a third party (including your Affiliates); or
- 2.3.8 except as expressly specified in the Order Form, sell, transfer, disclose or share for remuneration or other valuable consideration or commercial exploitation purposes (or agree to do so) any synthetic data or other output generated through the use of the Software or our services to or with any third party, or make any such output available generally to the public.
