

**KAWAI**

**ELECTRIC  
GUITARS**

*The all-new Electric Guitars from Kawai...  
The world of difference and originality...*

*The totally new series "Performer"  
"Sleekline" "XL" are the superb result of  
Kawai's challenge to develop the  
instruments ultimate in sound and  
performance to meet the most rigid needs  
of musicians. Uncomparable built-in  
originality and feature loaded versatility will  
bring you an endless satisfaction wherever  
you go... live stage or recording... Ideal  
conformity in design and function, powerful  
pickups, handcrafted body, frets and neck...  
are the outstanding examples of Kawai's  
determined policy in "Professional Sounds".*
