
Walking Here With You

Intro.

We are walking
Walking here

Verse 1

Oh God, let us whistle your praise with joy
As we stroll through life.
We are honoured to walk with you,
Asking what we can do
As we journey anew and venture on.

Verse 2

Oh God, let us sing your praise with joy
As we stroll through life.
We will ponder your love for us,
Love so great you sent your son
Out to die on a cross and take our sin.

Chorus

You raised him up on the third day:
A resurrection extraordinary.
Witnesses who said they saw.
Faith that says "I know".
We're walking here with you,
With you Oh God,

Intro

Verse 3

Oh God, let us walk in your light with joy
As we stroll through life.
We will ponder your grace to us,
Grace so great you raised your son,
Lifted him from the grave to prepare the way.

Verse 4

Oh God, let us hear your words with joy
As we stroll through life.
We are waiting to hear your call,
Calling us to now give our all
For our journey starts and ends with you.

Chorus

Ending

Walking here with you
Walking here with you
