## PROFESSIONAL SERIES

(CONTINUED)

**650 XL** - A custom version of the 550 XL. This guitar uses the same active pickups and circuitry as the Classic Series 475 Special model. The additional middle position pickup further increases the tonal variations. Jackson pearl inlays and a bound rosewood fingerboard and headstock further enhance its already handsome appearance.

FINISH OPTIONS: Snow White, Pearl Blue, Pearl Red, Magenta, Platinum, Desert Crackle, Metallic Black.

<b>SUGGESTED RETAIL PRICE</b>	<b>\$ 1,099.95</b>
<b>DESERT CRACKLE FINISH</b>	<b>\$ 1,149.95</b>
<b>PLATINUM FINISH PRICE</b>	<b>\$ 1,149.95</b>

**750 XL** - Mahogany set neck construction with arched tops make the 750 XL a sonic knockout. Capable of the traditional sustaining roars associated with set neck mahogany instruments, this guitar also offers today's brighter tones. The two J80C humbucking pickups are wired to a slotted five way switch so that the coil combinations within each pickup are available for additional sound combinations. Inverse Jackson inlays and bound rosewood fingerboard and matching headstock accent the 750 XL's appearance. Also available with a full 3/4" flamed maple arched top for increased brightness and beauty.

FINISH OPTIONS: Snow White, Pearl Blue, Turquoise, Magenta, Platinum, Desert Crackle, Metallic Black.

FINISH OPTIONS FOR FLAMED TOPS: Cherry Sunburst, Transparent Red, Transparent Amber, Transparent Purple.

<b>SUGGESTED RETAIL PRICE</b>	<b>\$ 1,169.95</b>
