1 Report auction Copenhagen Fur June 2018

We have received a lot of positive feedback on the graphs of the auction results. Until now we have posted them at our Mink Vision World Facebook page. Our goal is to help farmers to make better decisions. By converting complex data into easy to understand graphics we can make your life easier. We're very proud to present you our first printable total report of the recent KF June 2018 sales. With the following link you will find a PDF version of the report. We have made the graphics. The only thing you need to do is to make your own interpretation.

If you want more info about our services, please let us now by e.g. email: info@minkvision.com

The Mink Vision team

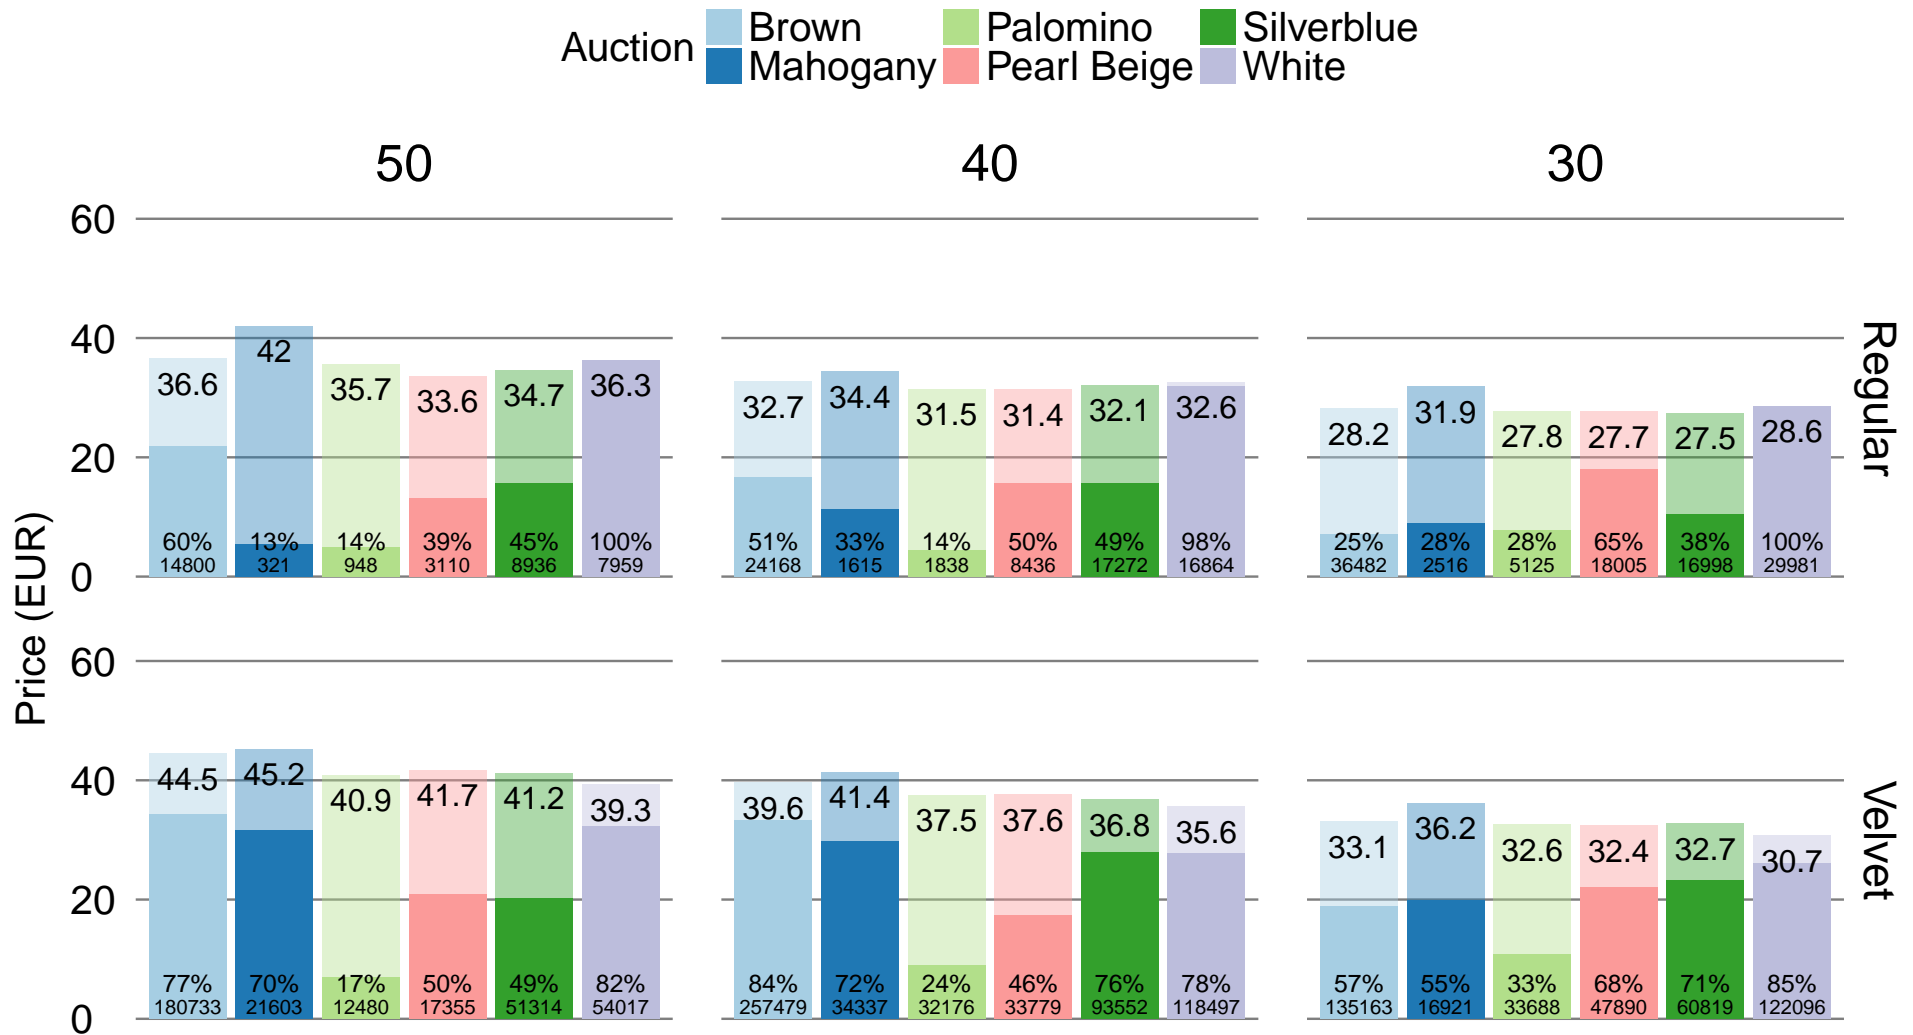

In the following report you will find the sales results in different overviews. The data is downloaded from the Copenhagen Fur website.

1. Comparison of prices and sales% between color-types at this auction
2. Comparison of prices and sales% of a single color-type with previous KF auctions
3. Comparison of prices between different skin qualities for single color-types with previous KF auctions
