

Hello! 🙌

I wanted to personally thank you for using Design Bundles and downloading our products. Customers like you are the reason we exist, and we thrive on knowing that we're providing the very best products and services.

We started Design Bundles in 2016 with the ambition of becoming the biggest Design and Craft Marketplace, but I never imagined we'd be fast approaching 3 million happy customers!

So as an extra thank you, and because we seriously value your input, I'd like to personally invite you to our [Customer Facebook Group](#), where you can share your ideas, feedback, crafts, and designs. You can also hear about our latest events and discounts. AND I'd like to offer you a discount voucher which can be used on your next purchase (read until the end).

We also offer 24-hour customer support, which you can reach anytime by emailing us here or using our live chat on the [website](#).

I've also included some helpful links (and some freebies!) for you below for your reference.
