

## **Beltor QDS Tool Locker Pod**

The Beltor QDS Tool Locker Pods is robustly designed, with secure individual storage lockers. The Unit can be easily moved with QDS and Fork Tyne Pockets.

### **Features :**

- QDS and Fork Tyne pick up.
- Bump stops on corners
- Access to lockers from both sides.
- 10 off Lockers with Lockable doors per side – total 20 Lockers.
- Dust Seal on inside of doors.
- Internal locker dividers stitch welded.
- Plant Safety File included with implement.

### **Specification :**

- Size – 1650mm W x 1800mm H x 2750mm L.
- Mass – 2.6 Tonne
- Payload – 1.5 Tonne
- Compliance Plate and Plant No. attached.

All Beltor products are **FULLY WELDED**, unless noted otherwise. A fully welded product means no water traps between members and plates that may encourage premature rust and reduce life of implement

***A Heavy Duty QDS Tool Locker Pod designed for mine conditions***
