IKM assessments are designed to measure overall proficiency in a subject and depth of knowledge in specific sub-topics. This score report does not provide a criterion-referenced interpretation, pass/fail score or standard of performance. IKM is an independent third party knowledge assessment vendor of Robert Half. Robert Half did not design, develop or conduct any assessment(s) nor has Robert Half verified assessment results listed herein. The categories discussed, displayed, or otherwise contained within an assessment result are that of IKM and not Robert Half. To learn more about IKM testing, please visit [IKMnet.com](http://IKMnet.com). Clients should always perform their own assessments of the candidate. Please note that test results, in isolation, are not pure predictors of success in employment or any given role. Other indicators, such as prior experience, references and interviews, should be considered prior to any employment or business decisions.
