

## BIOGRAPHY

UK artist Bentley Jones has experienced success that most independent artists can only dream of... **+20 million YouTube views, 6.2 million artists sales**, remix credits for the likes of **Britney, will.i.am., Madonna, Calvin Harris, Taylor Swift...** even **Lady Gaga** follows him on Twitter! He's composed for franchises such as **The X-Files, Tekken, Sonic the Hedgehog, Gradius** and **QQ Dance...** and if that wasn't enough he's also a video producer, dancer and model.

His dynamic musical arrangements mixed with sentimental and deeply personal lyrics have been described as **"articulate, brilliant and haunting"** (*Buzzjack*), **"beautiful"** (*Essentially Pop*) and **"irresistibly arresting"** (*Pure M Magazine*), while Bentley's mysterious and inscrutable artistry has been noted as **"an incredible artist"** (*BBC Radio*), **"certainly one to watch"** (*GT Magazine*), **"Bentley is going to be a big, BIG star"** (*DNA Magazine*).

Confidently mixing genres of music has allowed Bentley to create ground-breaking commercial pop and earn thousands of fans from around the globe. There are no boundaries to what this musical pioneer will achieve in the future.
