

## American Literature Errata

### Student Notebook:

- On p. 38, add *Plymouth* and *Squanto* to the word list of possible answers.
- On p. 106 questions #11 and 12 can be eliminated. They refer to the next poem; see question #8.
- On p. 144, add *James Madison* to the word list of possible answers.
- On p. 147, the first sentence should read: “Write an essay in which...(remove the word ‘question’).”
- On p. 271, add “Sarah Kemble Knight” to the third column of the word list, below “Rip Van Winkle.”

Please note: On page 201 of the Student Notebook, there is an essay question for the Chapter 6 Test. In the online answer key, the author makes reference to 5 review questions that were edited out of the final version of the textbook/notebook. The information needed to answer the essay question is covered in the content of the questions listed and their corresponding answers. You can therefore, disregard the references to the questions not listed in the curriculum. They are as follows:

From *Nature* - #13 and #19

From *Self-Reliance* - #20

From *Economy* - #27
