Subj: IELTS Speaking lesson 10-26-2017*

## **Lesson Objective**

Students shall be able to demonstrate oral communication skills, both in speaking and listening comprehension, whether in a multi-student environment or while interpreting charts and graphs.

## **Section One**

### **Role Playing**

**Students will be asked to participate in selected scenarios below. Each scenario will last approximately 5 minutes.**

**Evaluation Criteria:** Students can demonstrate basic proficiency in both speaking and listening comprehension.

1. You have been asked to give a short presentation on the topic of preventing sexual harassment. Meet with your co-worker to discuss what approach you should use
2. You have been asked to give a short presentation on the topic of how to increase employee morale at your company. Meet with your co-worker to discuss what approach you should use
3. You have traveled to a different country for a short vacation. While you are on the airplane you talk to the person sitting next to you and find out that they are a native of the country you are visiting. Start up a conversation with them to discuss what you should do on your short vacation
4. You have a friend that would like to learn a second language but before they spend money, they want to talk with you about the most effective way to learn a language
5. You have noticed someone new has moved into the house next to yours. Being a friendly neighbor, go over to their house and welcome them to the neighborhood
6. You find out that your child got into a fight at school. Meet with the parent of the other child to discuss how you should punish them for this
7. There has been signs of hate crime incidents in the area you live in. At a meeting with your local neighbors, they ask you to talk about some ideas for addressing it
8. You have a friend that would like to get in better shape. Talk to them about some ways to be more healthy
