
Good Seed

Verse 1

I want to use my hearing actively.
Listen to words that God is sending me today.
And hear the need of those,
Hear the need of those
Who can't hear what God has to say.

Verse 2

I want to use my tongue for speaking well.
Tell someone of the news that God's spirit is real.
And tell that God is love,
Tell that God is love
He loves you and even loves me.

Chorus

I want to scatter God's joy and plant his good seed
Casting it well into where there's the greatest need.
Then help nurture the emergent flower.

Verse 3

I want to use my eyes for seeing well.
See that God loves me and he cares in answer to prayer.
And see another's need,
See another's need
Help them find God's care and to share.

Verse 4

I want to use my hands to open doors.
Pray they be helping hands to those whose spirit is poor.
And make them of practical use
Make them of practical use
Show God's love sings from above.

Chorus

Bridge

Some seed will fall to hard paths.
Some to the rocks and the thorns.
In seeding may I really see.
In hearing may I understand
