# Good Seed

## Verse 1

As the rain and the sun will come down  
Making plants bud and flourish,  
So is the word from your mouth  
Your purposes you will accomplish.

## Chorus

I want to scatter your joy  
And plant your good seed,  
Casting it well into where there's the greatest need.  
Then help nurture the emergent flower.

## Verse 2

Listening to understand.  
Hoping to see and perceive you.  
Opening hearts where you're banned,  
Helping to turn and be healed.

## Chorus

## Verse 3

Some seed will fall to hard paths  
Some to the rocks and the thorns.  
In seeding may I really see  
In hearing may I understand.

## Bridge

Your love forms the seed,  
Faith forms its growth.  
May my soil be deep.  
For harvest, pray your blessing.

## Verse 4

Use my hands to open doors.  
Use my tongue for speaking clearly  
And help those whose spirits are poor.  
Show your love will ever be near.

## Chorus

## Ending

Through your gracious power
