PRODUCT DESCRIPTION

Arrow's formula for vehicle care provides a concentrated car wash and wax for a one-step solution. Get a quick and effective soil penetrating wash that wets, emulsifies in cold or warm water, loosens soils, dirt, oil and grease film and rinses quickly. Water beads up to prevent water spotting. Effectively cleans painted surfaces, aluminum, stainless, brightwork, and glass. Biodegradable; no phosphates.

DIRECTIONS

See full label for complete directions.

Use 1 - 2 oz. per gallon of water. Apply to exterior vehicle surfaces with a sponge, cloth, car wash brush or any appropriate car wash applicator. Rinse thoroughly with clear water. Towel dry if desired. Do not allow solution to dry on the surface.

PACKAGING
