Daily Devotions

In this last week, begin to pray about your next step in growing close to Jesus. Each day, read the verse given. Take your time. Walk slowly verse by verse, listening to Jesus and responding to Him as you meditate on the truths of Scripture and experience His presence.

Day 1

Read Psalm 128:1

How blessed is everyone who fears the LORD, who walks in His ways.

Respond:

Elijah was a man who feared the LORD, so he arranged his life to follow after God (to “walk in His ways”). Elisha observed this and wanted this same legacy. Are you identified by others as one who fears the LORD? Does your life have the quality of pursuing God’s ways even when they conflict with your own plans?

Day 2

Read Psalm 128:2

When you shall eat of the fruit of your hands, you will be happy and it will be well with you.

Respond:

Our legacy is connected to the stewardship of our lives---how we order our life under God so that it is fruitful and productive. What fruit is your life producing? Do you feel at peace with how you are stewarding your life under God?

Day 3

Read Psalm 128:3-4

Your wife will be like a fruitful vine within your house, your children like olive plants around your table. Behold, for thus shall the man be blessed who fears the LORD.

Respond:

Your legacy is not just about your fruitfulness, but the flourishing of your family. The way that you treat your family and your discipleship of those under your care is a clear indication of whether someone “fears the LORD.” What are some ways that you are investing in the flourishing of your family?

Day 4

Read Psalm 128:5

The LORD bless you from Zion, and may you see the prosperity of Jerusalem all the days of your life.

Respond:

Leaving a legacy means allowing God to use your gifts to impact your church (Zion) and your community (Jerusalem) for His glory. God’s mission is not just to bless is, but to use us in the advancement of His kingdom. What are some of the gifts and talents God have give you to bless your church? What are some of the gifts and talents God has given you to bless your community? How are you using these gifts for His glory?

Day 5

Read Psalm 128:6

Indeed, may you see your children’s children. Peace be upon Israel!

Respond:

Peace in Psalm 128:6 is the Hebrew idea of shalom, which means the well-being and flourishing that can only come from a life surrendered to God. What legacy will you leave to coming generations (your children’s children)? How is your life here and now contributing to their future flourishing and well-being? Will they receive a legacy of faith from you to pass on to their children?
