Introduction slides with editable text boxes

When you see the word
READY
get ready to listen and read the problem. You can get your white board and marker ready. This is your signal to erase your board if needed.

© wanttobeasuperteacher.com

When you see the word
SET
you can start working out the problem and showing your answer on your white board.

© wanttobeasuperteacher.com

When your answer is ready, put the white board under your chin with your writing facing you.

© wanttobeasuperteacher.com

When you see the word
SHOW
hold up your white board and show off your answer. Make sure your teacher can see it.
