

Epic Church Guatemala Prayer Guide

Iglesia del Camino (IDC) is an incredible church and partner in Antigua, Guatemala. Not only do they need our teams coming, and our financial support, but they need our prayer support. Jesus' parting words were, "Therefore, go and make disciples of all the nations..." (Matthew 28:19). As one church, we can't make disciples in every nation, but we can make disciples in some—and together as a global Church we can make disciples of every nation. And that effort takes prayer. So join with us in praying for Guatemala and IDC.

Monday – Pray for Alex and Melanie Contreras and their family. Melanie is the Director of Missions at IDC. Pray for strength and wisdom for her.

Tuesday – El Club is a safe haven for 190 kids ages 2-19, providing breakfast four days a week, spiritual training, and academic support. Pray for strength and wisdom for Fester as he leads El Club and that God would provide for his family's financial needs as well as El Club's.

Wednesday – Pray for the five children Epic sponsors to go to school. They are all siblings and their mother is a widow. Pray that they would grow spiritually, as well as stay faithful in school. *L to R: Selvin (age 14), Maria (age 11), Rosa (age 9), Marcos (age 7), not pictured - Ericka (age 19)*

Thursday – Pray for the IDC Missions Team that they would have the wisdom, strength, and energy to serve alongside of the approximately 50 teams that come each year. *IDC Team pictured to the right; Melanie and Alex Contreras are in the back row, far right.*

Friday – Pray for the nine women who accepted Christ during our GO Trips. Pray for Carmen, Marie Antonia, Jessica, Lily, Griselda, Hadi, and the three women at El Club that accepted Christ during the 2018 GO Trips. Pray that they would read the Bible, get involved in a gathering of other Christ followers, and grow in their relationships with God.

Saturday – Pray that Epic's ministry in Guatemala in partnership with Guatemala would bear much fruit in the coming years. Ask God if He would have you go to Guatemala.
