

CHARVEL

New from Charvel

NUTSTOYOUTOOSHEL

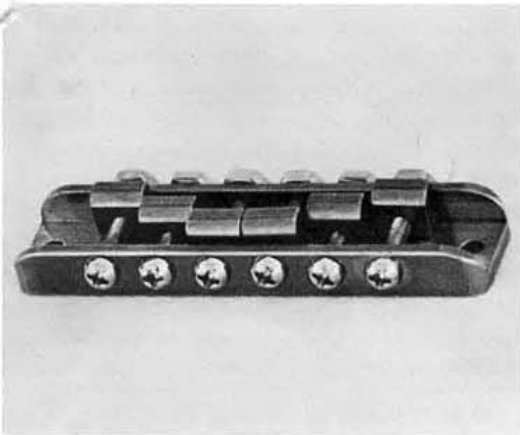

#110 Explorer

BODIES

Charvel now offers two new bodies made especially for the guitarist that demands more from his axe, the Explorer and the Double Cutaway Telly. Both axes are available in tremelo and non-tremelo models with your choice of pickup combinations.

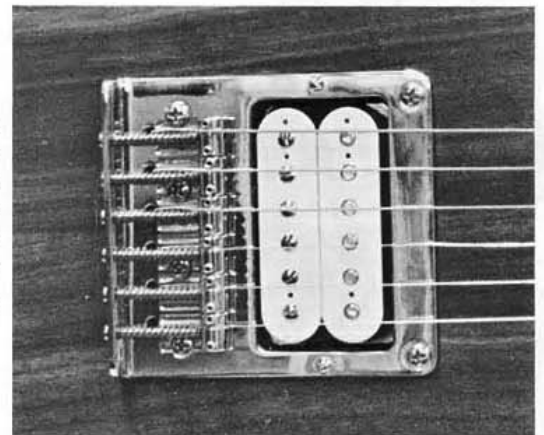

#113 Double Cutaway Telly

#213 Tunamatic - Brass

BRIDGES

Also new from Charvel are these two fine brass Bridges, the Tunamatic and the Telly Six-Way Humbucking. Both are made of solid brass and are available in polished or chrome finishes.

#211 Telly Six-Way Humbucking - Brass

PICKUPS

Now a new Pickup from the people at Charvel. We call it the "Black Special" Pickup because it's made specially for today's rock guitarist. This Pickup features super output and our money-back guarantee insures satisfaction.
