

We are 'Author Art', a Podcast platform created by Author Yann W. Tanoé under his independent publishing House, SunBird Journal Publishing. Author Art has for aim to celebrate expression, intellect and thought leading. It was created to demonstrate the positive impact that our expression can have on our communities and societies.

Why Author Art?

We have named our platform 'Author Art' because we believe that we are all authors of our thoughts, beliefs and intellect, we also believe that the expression of the following are our very personal art form. We believe that the expression of our intellect is an intricate art form that needs exploring, sharing and celebrating. With the numbers of listeners rising each year, the podcast platform has become a powerful yet entertaining way to shape our modern communication. It is a way to be intellectually uplifted and edified through the gift of voice and speech. We are thrilled to bring you this platform.

Our topics

Given the nature of our platform and its mission to celebrate expression, we engage in a wide range of subjects such as: trending topics, motivational speaking, entrepreneurial tips, politics, Psychology/ philosophy, Spirituality, educational initiatives, activism, literature, entertainment, the arts, humanitarian work to mention a few. We are interested in any topic that can add value to our listener's perspectives and will consider an array of different topics.
