

# Cedros Avenue

**CEDROS AVENUE... SHOP. EAT. PLAY. REFRESH.**

The Avenue is 2 ½ enchanting blocks of more than 85 boutiques, shops, cafes, salons, day spas and galleries - located in Solana Beach, just 20 miles north of downtown San Diego. For 35 years Cedros Avenue has been a point of interest, along with being the only shopping district in San Diego solely populated by independent boutiques and businesses.

**DINE, SHINE, AND REJUVENATE.** Enjoy one of the Avenue's day spas, salons, yoga or pilates studios. Then settle in for a glass of wine and something delicious at the Wild Note, the Zinc Cafe, Orange Blossom Cafe, Cedros Cafe, or Lockwood Table. Try one of the hand-crafted wines at Carruth Cellars or craft beers at Culture Brewing Co. Spend an evening enjoying world-class live music at the renowned Belly Up Tavern.

Enjoy the **FARMER'S MARKET** every Sunday from noon to 5pm on Cedros Avenue - named one of "San Diego's Best". Browse for locally grown organic fruits, vegetables, fresh cut flowers and more. Eat an al fresco lunch under colorful umbrellas in the Farmer's Market Courtyard.

Enjoy live music, artisan cuisine, handcrafted products, designer goods, locally sourced dining, Farmer's Market and more all on one avenue... **CEDROS AVENUE!**

**Take the AMTRAK, or COASTER, to the Solana Beach Train Station, or the I-5, exit Lomas Santa Fe, and head west towards the beach, to Cedros Avenue.**
