

COLLECTABLE

SUPPLIES

All you'll need is the attached game slides and a way to project them!

HOW TO PLAY

Students will have to guess which of the two collectables (or collectibles) onscreen is more valuable. This game is best played elimination style– if you get it wrong, you're out! Play until only one winner remains.

NEXT LEVEL

Get students moving by designating areas of the room to coordinate with their response– where they stand in the room is their answer to the question!

MODIFICATIONS

Try having students face off in small groups or use this as an opportunity to have students onstage.
