### BUSTER BULB

The World's first designer LED bulb. This bulb consumes just 1/20th of the energy of traditional bulbs with a life span of 30,000 hours. Available in CRYSTAL, GOLD or SMOKED finish. The resin light pipe at the centre of the bulb is where all the magic happens, allowing the bulb to create a subtle ambient light whilst at the same time throw focused spot light onto tables & surfaces below. The bulb fits in any B22 screw light fitting, but looks especially great when teamed up with our HEAVY METAL or HOOKED lighting ranges.
