

Sharing your DRVR Training Certificate with your BEA or Operator.

Once you complete any of the DRVR Training courses, you will be issued a Certificate of Completion and Achievement Badge. Downloading, sharing or attaching your credential to your LinkedIn profile is easy.

To access your Certificates:

1. Login
2. Go to your Profile (top right corner). Click on "My Account"
3. Click the "Certificates" tab in the left-hand menu.
4. Click on "View" link for any courses you've completed and you will be taken to your certificate and badge.

To share your Certificates:

1. Click on the links in the left-hand menu.
2. **Share on LinkedIn:** allows you to share this achievement via your LinkedIn page. A great way to increase credibility to your professional network.
3. **Download PDF:** allows you to download a PDF of the certificate in order to print it or attach in an email.
4. **Download Badge:** allows you to download the badge as a .jpg file. Most students share this on their social media channels.
5. **Email Credential:** click on this button to easily email an electronic copy of your certificate to your BEA or Service Operator.
