Step 2. Find and install the answer to Step 1.

Step 3. MATCH: Match the terms below with the correct definition, then fill in the blank with the corresponding letter to complete the cipher that will be used in Step 4.

- A = ____ Multisignature
Z = ____ Seed Words for your Private Keys
Q = ____ Fiat
D = ____ PIN
E = ____ Stellar Wallet Address

Fill in the blanks above with the choices below:

- R) 4-6 digit sign-in
S) Long string of letters and numbers (starting with G)
N) 12-24 word passwords that protect your wallet
O) 2-layer approval for transactions
E) Synonym with paper currency (\$\$)

Step 4. Use the keys from the previous question to unlock this important message (ex. A=O)

Step 5. Type the First Letter of Each Word from the answer to Step 4 into the Gematria calculator. (www.gematrix.org)

- (A) What number does the Simple Gematria calculate?
- (B) Take that number and find the corresponding Q post.
(www.qalerts.app)

Step 6. Now look at the Month and Day that Q post was dropped and go search for that Date on Whiplash347's Telegram channel (<https://t.me/Whiplash347>). One of his posts mentions that date and also a movie. What is the name of that movie?

Step 7. One of the main characters in the movie from Step 6 also played the main character in a 2nd movie that describes an "unforeseen financial crisis", even though the theme of the 2nd movie is not directly about finances. What's the name of the 2nd movie?

Step 8. The website www.coinmarketcap.com defines this unforeseen event, such as in 3-2020. What was the catalyst for this event?

Step 9. Input the **generic** word for this catalyst into the Gematria calculator (www.gematrix.org) and look for the Simple English output that describes the mechanism serving as a gateway to ascension. What is this mechanism called?

Step 10. Digital assets, the formal name for crypto coins and tokens alike, are listed on exchanges by their token codes, much like ticker symbols on the stock market. What is the token code for this specific ascension mechanism?

Step 11. An exchange is a marketplace for purchasing digital assets. Which Stellar exchange is GQX Capital's top recommendation for being the most trustworthy, safest and best protected, as well as tastiest on a hot summer's day?
