TCHAC

?!

TCHAC

A comic book panel depicting a bright, starburst-like light effect emanating from the center. The background shows a dark blue sky with white clouds and a building with large windows. In the foreground, the backs of several characters are visible: a character with pink hair on the right, and others with orange, dark blue, and green clothing at the bottom. The sound effect 'TCHAC' is written in large, white, stylized letters with black outlines in the center of the panel.
