Kind Attend: Purchase & Maintenance Department  
Subject: Introduction Letter.

Dear Sir,

**VISHWAKARMA ENGINEERING WORKS** has been a preeminent manufacturer and supplier of **Commercial Kitchen Equipments**, since 2000. We offer innovative kitchen & cooking solutions for **Restaurants, Hotels, Hospitals, Food Courts, Wedding Halls and Commercial Canteens** etc. Our offered range comprises **Kitchen Equipments & Kitchen Accessories, Display Units, Exhaust Systems, Kitchen & Dining Furniture**, and more. All our products are designed to have ease of installation, energy efficiency, convenience and user safety. We also provide customized solutions that cover all requirements of our customers regarding design, quality, capacity and size etc.

Conforming to the global quality standards and defined industrial norms, our **Commercial Kitchen Equipments show stainless steel construction, energy saving, modern design and negligible maintenance features**. Also, we make use of finest grade materials like stainless steel, mild steel etc and advanced technologies to meet small, medium and large volume of Kitchen Equipments.

We serve to the needs of local and global markets with our sound expertise and effective production technologies. We do frequent market research. With our innovative and thorough manufacturing practices, we have been able to bring the best possible models of the Commercial Kitchen Equipments. We promise to give best quality products at very affordable rates.

## **Core Values:**

- Commitment For Total **Customer Satisfaction**
- Innovation, Integration And **Cost-Effectiveness**
- **Custom**-Manufacturing
- **Effective & Affordable** Kitchen Equipments
- Continuous **Improvement** In Products, Technologies & Processes

Thanks and Regards,

**Manoj Vishwakarma**
