## 7 DAYS OF CHANGE

### Voyages of self-discovery

Aimed at 13 to 18 year olds, these life-changing voyages making a huge difference in their outlook on life. Research indicates real benefits in a sense of personal self-identity.

### Real life hands-on experience

Making a real difference in self-confidence, self-esteem, social skills and peer interaction.

### You can't sail a ship by yourself

It's all about communication and teamwork.

### A creative & supportive learning environment

The voyage is a floating classroom that puts into practice theories taught in school and provides real life practical examples of lessons learned.

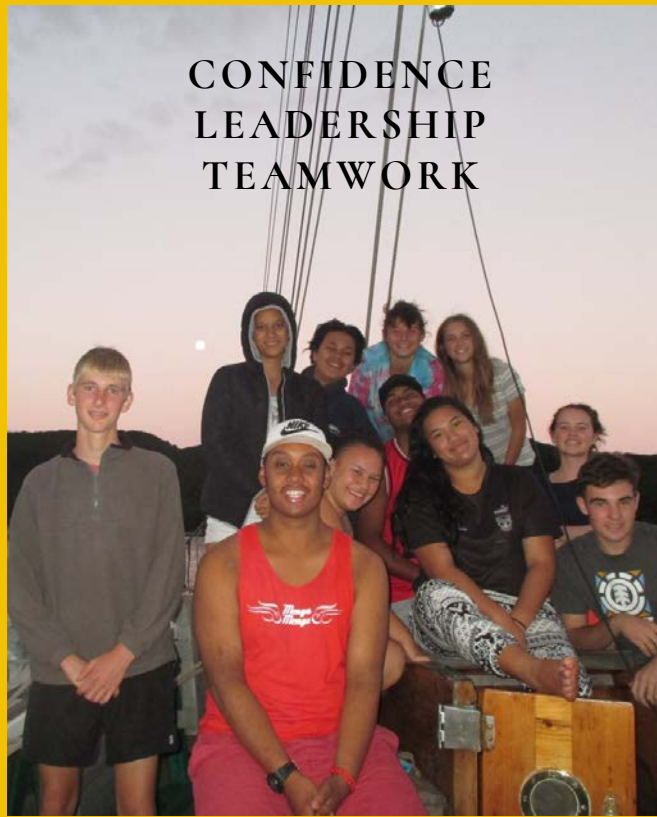

# YOUTH DEVELOPMENT

Each seven-day voyage takes up to 12 young people and costs \$2,070 per child. The Trust offers these places to youngsters from Taitokerau Northland at \$960 per child. Your donation makes up the difference.

# PAYROLL GIVING

### *Change the life of one young person*

The Mates of the Tucker donations scheme welcomes contributions through Payroll Giving as an easy way to support youngsters from Northland to get on board a voyage. Tax is deducted at source, so you only have to pay the net rate of the donation.

A \$20 per week donation over twelve months will sponsor a student on a 7-day voyage. Less tax at source, this works out around \$13 per week, the cost of a few coffees!

At the end of the year we will let you know the recipient of your donation.
