April – Chair

Design by Neri&Hu

‘April’, the name for the fourth month of the year, derives from the latin aperire, meaning ‘to open up’. Opening up, like the trees and the flowers that bloom with spring.

A new beginning. From old to new, a novel perspective and a novel understanding of a typology inherited from the ages. Relying on the ancient woodworking techniques of La Manufacture’s artisans, Neri&Hu’s solid wood chair assumes the spring month’s invigorating energy with a puzzling four-tube leg structure and a refreshing choice of colours.

“You are an April day among people is the name of well-known and well-liked contemporary Chinese poem that personifies the month of April to celebrate love. We hope this chair will receive the same kind of love and care from its users.”
