- Guitars — Strat or Star shape.
- Basses — Deep cutaway P-Bass or Explorer shape.

### **NECK**

- One-piece Eastern Hard Rock Maple.
- Also available with Rosewood or Ebony fingerboard.
- Guitar — 25½" scale with 21 frets.
- Bass — 34" scale with 20 frets.
- Jumbo hard nickel-silver frets.
- 11" Radius fingerboard.
- Epoxy fibreglass nut designed for long wear.
- Fully adjustable truss rod.
- Gotoh tuning keys.
- Specially formulated oil base finish.

### **PICKUPS**

- Guitars can be routed for either 1 or 2 DiMarzio humbucking pickups or 3 single coil pickups.
- Basses are available with a DiMarzio P-Bass pickup or P-Bass and Jazz Bass pickups.
- Seymour Duncan pickups available on special order.
- Special pickup routing by request.

### **ELECTRONICS**

- All compartments fully shielded with carbon conductive paint.
- Resistive network to maximize even tonal response when turning down volume control.
- Power Pot Preamps available on special order.

### **HARDWARE**

- Exclusive Charvel solid brass humbucking-spacing tremolo bridge for guitars.
- Bass — Solid brass tracks bridge.
- All other hardware is brass where applicable.
- Available on special order — Black nickel plated brass parts.

### **COLOR**

- Charvel Mfg. believes very strongly in individual tastes and requirements. We have spent a great deal of time perfecting our paint department so we could offer something that no guitar maker has **ever** been able to offer before. .... ABSOLUTELY NO COLOR OR DESIGN LIMITATIONS.
