Our 30 Year Reunion

Friday July 21, 1995—7:30 PM at Four Seasons Inn

Saturday July 22, 1995—6 PM at Red Lion Inn

Sunday July 23, 1995—Douglas County Park

This reunion was more laid back. Time was spent—*visiting*. Friday night was typically informal with many attending who did not show Saturday night. Why? Saturday night's function had a dance floor and appropriate music, but it seemed an ignored corner—most classmates savored the moments to reminisce with old friends. Your committee determined that prizes and competition were not necessary and might impede visitation time. So, Saturday's program was short.

Saturday night's program was a reflection on trivia from our high school years. For those who attended they should know these answers but in case you missed this reunion— see how you do:

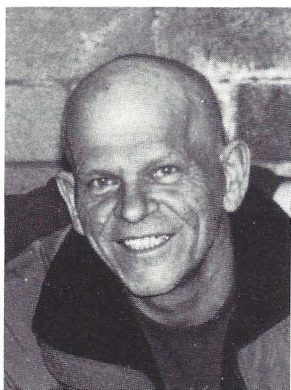

1. Who broke Foss's national javelin toss record in 1965?
2. What was the score of the Eastmont vs. Wenatchee football game in 1964? Who won? Who shot the winning buzzer bucket in an EHS vs. WHS basketball game in 1965?
3. Who did Muhammad Ali "KO" in 1965 to retain his heavyweight boxing championship?
4. Which EHS classmate had siblings in the class of 1966 and 1967?
5. Based on our recent survey, what is the #1 occupation of our classmates?
6. What did these items cost at grocery stores in 1965: hamburger, cantaloupe, a dozen eggs, catsup, a gallon of milk and a gallon of gas?
7. What past EHS teacher/coach has a son now teaching/coaching at EHS?
8. Who were player-of-the-year recipients for wrestling and basketball from our class?
9. Who were the academy award winners in 1965 for best movie, best actor, and best actress?
10. Who is still teaching in the Eastmont School District that taught us in junior high.
11. In 1965, what's the cost—average 3 bedroom, 2 bath home; refrigerator; washer & dryer?
12. Name the first play presented by our thespians our senior year?
13. Who won the World Series in 1965 and who did they defeat?
14. What was the new Ford model for 1965?
15. What famous landmark, completed in 1965, commemorated the Louisiana Purchase?
16. Who was our class valedictorian and salutatorian?
17. What was the Big News (internationally) in 1965?
18. What was our EHS Class of 1965 class motto?
19. What was unique about Apple Blossom Queen selection our senior year? Who got queen?
20. How many graduated from our class in 1965?

For answers see page 14.

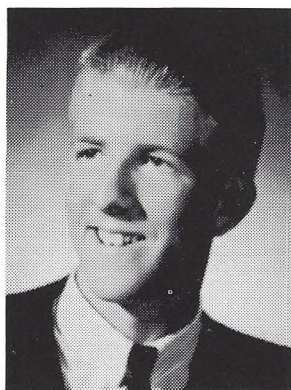

Feedback to your committee will help assure the next reunion is the preferred style. Please let us know your preferences. Would you like a combined reunion with graduating classes before and/or after us, a full weekend or just one gathering, sit down meal or just snacks? Feel free to offer suggestions. Do you know the addresses and whereabouts for those without addresses in this EMO ECHO? Please help us keep up to date on everyone's whereabouts. Thank you for your comments, criticisms, compliments, and essential feedback. We hope to see even more of you at our next reunion of the Class of 1965!

Eastmont High School Class of 1965

They say the eyesight is the first thing to go. Age is taking its toll! Some committee members forgot their cameras, some forgot their flash units, and some forgot how to focus. Sorry to say, but due to our ineptness—there will be no candid pics from this reunion. Like Norm Nunnally said, "Thirty years out and still learning." Hopefully we learned from this reunion that if we want something done right—*hire someone!* We hope you have fun with the old class pictures in this publication.
