Liaison – Sofa
Design by Luca Nichetto

Liaison is the story of a bold shape, a shell designed to shelter a soft seating cocoon.

With generous proportions and an inviting look, 'Liaison' can count on the support of a well-defined, meticulously designed and distinctly curvy outer envelope. Built upon a thin metal base, Liaison's legless design inspires new ways to sit and lounge in residential and hospitality environments. Like a nest enveloping the user with its warmth, the design emphasises comfort with a broad range of fabric or leather upholstered cushions.
