From the Rector...

Sabbatical

The idea of sabbath – time set aside for restoration - is an important one in Scripture. In Genesis, we read of God resting in the creation story. God commanded the Israelites to observe one day a week for rest and even prescribed a one-year sabbath for the land during a seven-year agricultural cycle. We also see in the gospels how Jesus regularly took time apart from his active ministry for prayer and renewal.

Tied to Jesus' example, a clergy sabbatical is an intentional time for renewal, reflection, and reaffirmation of vocation. Recognizing the importance of this kind of sabbath for the health and vitality of ministry and congregational life, in the Diocese of Massachusetts clergy sabbaticals are not optional. Covenants of Ministry (the agreement between priests and

congregations) make provision for one every five years.

I deferred my sabbatical in 2017 for one year because I did not feel that it was the right time in the life of the parish to step away for an extended period. With the support of the wardens, vestry, and parish, I will embark on a four-month sabbatical this coming fall. This will be a time for growth through being nourished, renewing perspective, and deepening prayer life. For Grace Church, it is a time to grow as well through carrying forward our ministries and expanding the roles of lay leadership.

Why now?

The past five-and-a-half years have been a wonderful time of ministry and relationship building. It has also been a time of significant challenges, all resulting, I believe, in Grace Church being in a better place to continue and grow its mission in the community.

Within this time, we have had major planned and unplanned capital projects and constant fundraising, including two different capital campaigns since 2012. To meet financial challenges, intentional restructuring occurred with our office administration and personnel, modernization of the financial system, and a transition to a one-clergy parish, all of which contributed to multiple issues and changes through the last several years. All of this has been made possible by a very engaged and proactive lay leadership, truly involved in the life of the parish and taking initiative for its well-being.

Taking a sabbatical now will be a necessary time for me to refresh spiritually, renew focus, spend time with family, and reflect on Grace's vibrant ministry and gifts from an 'outside' perspective (meaning both that the time and distance away from Grace will help me reflect in different ways and that I hope to

literally be outside for much of the sabbatical).

Will you come back?

Yes! A primary point of sabbatical is returning to Grace Church renewed for our next season of ministry together.

Who will cover your absence?

We anticipate having one part-time clergyperson throughout the four months for worship and pastoral care. The canons of our church dictate that in the absence of the rector the wardens and vestry are the ecclesiastical authority.

How is this funded?

In Grace's annual budget, money is set aside in a fund every year in preparedness for a clergy sabbatical. This will pay for the interim priest who covers my absence. Funds for my expenses associated with the sabbatical itself will come from me and from a grant from the Diocese of Massachusetts.

What will you be doing?

As we move closer, the wardens and I will share more specific details about the sabbatical. The preliminary focus, though, will be to:

1. Set aside significant space for silence, reflection, and prayer through daily meditation and hiking;
2. Read and have conversations intentionally looking at congregational development and possibilities for relationship-building across linguistic and cultural differences;
3. Renew the family's bilingualism and broaden our worldviews;
4. Refresh and strengthen family relationships.

I know that God will lead us through this time - and beyond - into God's good purposes for us. Please know that the wardens, vestry, and I are always available to talk about the sabbatical and answer any questions.

Faithfully,
Chris +

Liturgy & Liturgical Ministry

By Jerré Croteau, Verger

Romance languages derive their word for this season from variations of the word "forty", referring to its duration. "Forty" may be a reference to the several times where the number is used in the Bible: Moses' forty days of fasting at Mount Sinai, Elias at Mount Horeb, Jesus' wandering in the wilderness, and the forty hours between Christ's death and the Resurrection, to name a few. The English derivation of the word Lent is from the Germanic root for "long" and "length" - referring to the fact that the days are growing longer as we approach Spring. The idea of fasting during Lent is first referred to in the Third Century, though Lenten fasting may have had more to do with the fact that, by the end of winter, stored food, especially meat, from the previous Fall, was in short supply.

Liturgically, Lent is a time of repentance, inward reflection, and meditation. The veiling of the outward signs, the images, is symbolic of this introspective journey. The color is **purple**, which represents, in this case, repentance. The use of blue, as an alternative in Advent is to suggest anticipation and hope, rather than the repentance usually associated with purple.

March 3rd-4th is the **Third in Lent**. The Diocesan Youth Council will be

our guests that weekend and will be attending the ten-o'clock service; The Rev. H. Mark Smith, the Diocesan Youth Council Director, will be our Preacher. Healing Prayers will take place at all three services.

March 10th-11th is the **Fourth in Lent**, also called **Lætare Sunday**. "Lætare" means "to be happy" in Latin. We are happy because the Lenten season is almost over. It is also known as "Midlent," where the rigours are temporarily suspended. In the past few years we have moved the Lenten **Children's Liturgy** to this Sunday rather than the third Sunday of the month. The color is "**rose.**" March 17th-18th, the **Fifth in Lent**, Brother John of the Trinity will be preaching.

Then begins **Holy Week** with **Palm Sunday**, also called **Passion Sunday**. The **Liturgy of the Palms** will take place at all three services that weekend. The color changes to **red**. The Passion Gospel, this year by St. Mark, will be read at all services. During Holy week there are three major services leading up to the celebration of the Resurrection. **Maundy Thursday**, March 29th at 7PM the service will include the **Washing of the Feet**, Holy Eucharist, and the moving formal **Stripping of the Altar**. Members of the congregation are encouraged to participate in both the Footwashing and the Stripping of the Altar. This service represents the institution of the Eucharist and therefore the main altar is in **white**. Next is **Good Friday**, March 30th. There are two services of the Good Friday Liturgy, which includes the Passion of St. John. One is at noon, with a simultaneous Children's service in All Saints' Chapel; following this service the church will remain open until 3:00PM for meditation. There is also a service at 7PM.

On Holy Saturday, March 31st at 7PM the **Great Vigil of Easter** takes place. The church is darkened, a fire is lit in the back of the nave, from which the Paschal candle is lit and carried into the church, and candles held by the congregants are lit. An ancient prayer called the Exsultet is sung, and then there are a series of readings, psalms and prayers. Baptisms or the Baptismal Covenant normally occurs in this service. After this gloomy beginning the church is flooded with light upon the words. "Alleluia! Christ is risen" and a joyful noise is made. The service continues with the Epistle through the Holy Eucharist service. The celebratory **white** of the Easter season is revealed.

Then, of course, on April 1st, it is **Easter Day, the Feast of the Resurrection**. Both the 8AM and the 10AM services take place in the main church. We celebrate one of Christianity's most important days when our salvation became manifest. An Easter Basket for the children will appear at the back of the church on this joyful day. Eucharistic Prayer B will be used at both the Vigil and Easter Day.

Easter is not just one Sunday, but a season seven weeks long. During Easter we will be using a Eucharistic Prayer from Enriching Our Worship and Prayers of the People based on the lectionary. April 7th-8th is the **First of Easter**; Brother John of the Trinity will be our preacher. April 14th-15th, the **Second of Easter** features the **Children's Liturgy** and a Baptism will take place at that service. April 21st-22nd, the **Third of Easter**, there will be the regular services. The month of April ends with the **Fifth of Easter**; Brother John of the Trinity will be our preacher that weekend.

Wednesdays in Lent and Easter

Wednesday Eucharists (except where indicated) during this period we will feature: **Fourth Wednesday in Lent**, March 7th; **Fifth Wednesday in Lent**, March 14th; **Wednesday in Holy Week**, March 28th; **Easter Wednesday**, April 4th; **William Law**, April 11th; **Alphege**, April 18th (Morning Prayer); and **St. Mark**, April 25th.

From the Senior Warden...

By Sharlene Begley

We had our Annual Meeting on Sunday, February 11th after the 10AM service. Thank you to the many who came and enjoyed fellowship, lunch and information on a number of subjects. The 2018 Operating Budget was presented, there was an update on Restoration, information on the Rector's upcoming sabbatical and discussion regarding the beginning of the plan going to place Grace in a secure financial situation to bring on a second clergy person. I hope you've ready the Annual Report to get information on most of the above. It is available on our website.

I hope you will engage in ongoing discussions regarding the above subjects. In order to facilitate those discussions, we have scheduled spring "Coffee with the Senior Warden" events. The first will be Saturday, March 17th, after the 5PM service. In April, we will gather on Sunday, April 15th, after both the 8AM and 10AM services. I look forward to meeting with as many of you as possible to discuss details or status of the above and to get your input and answer your questions. Or, please come and bring your thoughts or concerns on any other issue related to our life at Grace.

Dear Grace Family...

Dear Grace Church Family:

What a splendid celebration it was as we gathered to observe the Sixtieth Anniversary of my Ordination to the Priesthood! It came on an especially busy day which already involved Children's Sunday, the Children's Pageant, the Hanging of the (Christmas) Greens and, later in the day, the service of Lessons & Carols. It was also the only day on which our immediate family members from Connecticut, Nova Scotia, Michigan, and Illinois could be with us. During the planning discussions Chris had calmly insisted they could make it happen, and he and many of you did just that.

Fortunately the celebration was not a surprise and I was aware that all four of our children, their spouses, and all but two of our ten grandchildren could be here. Had it been a surprise I know the shock would have been too great for me. However the presence of so many of you and of our friends outside the Grace Church family was unexpected.

The privilege of celebrating the Holy Eucharist, the presence of several family members as active participants, and the inclusion of the Church School around the altar were especially meaningful to me. The "Seafood-Inspired Luncheon" (my favorite) which was prepared and served by our own Grace Church ladies following the service was unforgettably delicious.

Words are so inadequate as I attempt to express the gratitude and love the Garretts feel towards you. We appreciate greatly the privilege of living among such a loving and caring parish family for fifty-eight years (thirty-three years as a pastor

and the remainder in retirement) and also for the opportunity of sharing so many of life's events with you.

These words from the Marriage Service have a particularly appropriate significance as I think about our Priest-Parish relationship "...that each may be to the other a strength in need, a counselor in perplexity, a comfort in sorrow, and a companion in joy."

Our deepest gratitude to Chris and to you all for making such a happy celebration possible. God bless you and all those near and dear to you.

In Christian love,
Kenneth Garrett

Martha's Pantry at Grace

By Sharlene Begley

The Super Bowl may not have ended with the result most of us were hoping for but the *Souper* Bowl was a rousing success!

With your help, we built a tower with over 300 cans of soup in the rear of the sanctuary. Most of the soup donated was of the "hearty" or "chunky" style, an important item we provide to those who come to Martha's Pantry for assistance. It is also an item we currently have difficulty getting from the Boston Food Bank so this infusion of soups is a huge boost to the pantry, saving us the cost of purchasing it from local grocery stores.

If you ever wonder what food item you could donate to the Pantry, always consider hearty or chunky soups!

Wednesdays in Lent

Beginning on February 21st and running through March 28th:

Recorded classical music will play in the chapel at 9AM each Wednesday, before the 10AM service.

At noon, join us in the Youth area for lunch and a discussion of the parables.

Mark 4:33-34a

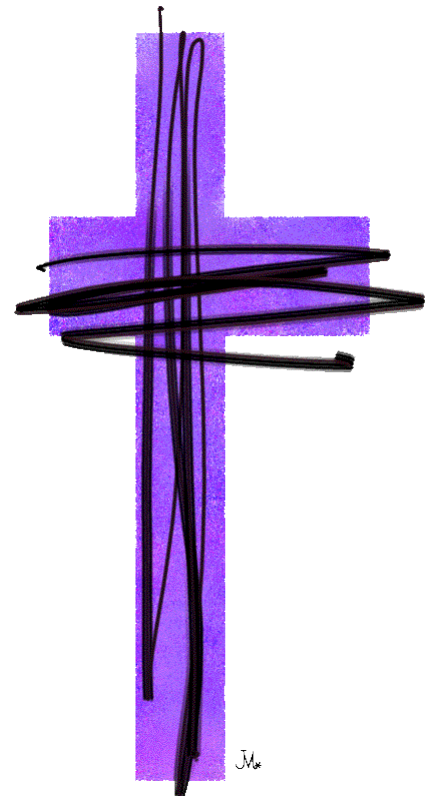

With many such parables he spoke the word to them, as they were able to hear it; he did not speak to them except in parables.

Psalms 78:2-4

I will open my mouth in a parable; I will utter dark sayings from of old, things that we have heard and known, that our ancestors have told us. We will not hide them from their children; we will tell to the coming generation the glorious deeds of the Lord.

At 6:00PM in the evening, a soup supper will be offered.

(As with the 10AM service, if the New Bedford schools close due to winter weather, these programs will be cancelled.)

SENIOR WARDEN: SHARLENE

BEGLEY – Sharlene was "born into" and grew up at Grace Church, attending Sunday School and Youth Group and singing in the choir. After college, she attended St. Peter's in Dartmouth for several years. Upon moving out of the area in 1981 she became a member of the Church of Our Redeemer (Episcopal) in Lexington, MA, spending over 25 years as a member of that congregation. Her three children, Kim, Tim and James, were raised there and she was active on many committees and served two terms on the Vestry and one as Clerk. Upon relocating to Lakeville in 2006, she was drawn back to the Grace community. She has served on the Vestry and is starting her fourth year as Senior Warden. She is also the coordinator for Martha's Pantry at Grace, volunteers at the Soup Kitchen, is a Greeter on Sunday morning and serves on a number of committees. She retired in 2012 as Director of Contracts for the New England region of the EPA after having worked for over 30 years for both the US Air Force and the EPA.

JUNIOR WARDEN: CHARLES GREEN -

Charlie Green was raised in Fairhaven where he and his wife reside with their two children. He attended Bishop Stang High School and graduated from Massachusetts Maritime Academy with a degree in Marine Engineering. He has worked at his family's business in New Bedford for over 17 years in the industrial contracting and commercial metal fabrication fields.

Growing up, Charlie was raised in the Catholic Church. Charlie and his

family found Grace Church four years ago and have discovered their spiritual home here. Charlie is a member of Grace's Team Property and has served as an Usher. He is also a Boy Scout Leader with Troop 55 in Fairhaven. In the warmer months Charlie and family can be found sailing the local bays and sounds, seeking weekend getaways and adventures.

TREASURER: CHARLES CAPIZANO -

Charlie grew up in Warren, Rhode Island and graduated from Providence College. He was with the Barrington, Rhode Island, School Department serving in various capacities, classroom teacher of economics and European History at the high school, chairman of the Social Studies Department, Program Evaluation Coordinator of the district, and union president and vice president. He married into the Episcopal Church, but he and his wife attended the Congregational Church for over 25 years. While living in Dartmouth, they became members of Grace. Charlie has served as Outreach Commission chairman, as a Vestry member and for the last four years as Junior Warden, which placed him on Team Property and the Grace in Community committee. He and Val live in Fairhaven.

ASSISTANT TREASURER:

ELIZABETH PYE –

A New Bedford native, Betsy joined Grace in 2002 in order to provide Jameson, then five years old, with a foundation in faith. It wasn't long before she was asked to teach Church School and was approached to help with the Bittersweet Bazaar. Since then, Betsy has participated in a number of activities in and around Grace. Betsy and her husband Jim

will celebrate their 38th anniversary in April while Jameson enjoys his junior year at Brandeis University.

Diana has served on the vestry and several committees at Grace. She is currently active on the Altar Guild and the Spiritual Formation Ministry team.

KATHLEEN FERREIRA - Kathy has lived in the New Bedford area her whole life. She was raised and educated in the Catholic Church but struggled with it as an adult. She was introduced to Grace Church by a friend 8 years ago. She attended services, observed the people and the culture, and found that Grace Church was exactly where she was meant to be. She became a youth mentor early on and journeyed to the Rosebud Reservation with our youth twice. She is also active in Grace's "Food and Faith" group. Kathy works at Beth Israel Deaconess Hospital in Plymouth as a Clinical Microbiologist. She has two grown children. Her daughter Lauryn lives on the Cape and her son Sam lives in Burlington VT.

Judy is now involved in several church activities. In 1994 Judy graduated from UMD with a degree in sociology. From 1978 to 2012, Judy worked for Early Learning Child Care in several administrative positions being the Director from 2006-2012. She retired in 2012.

Roxanne has been active at Grace throughout her life. She is currently an acolyte.

Thank you...

To Our Retiring Vestry Members

As we welcome new members to our vestry, on behalf of the whole parish I want to especially thank our outgoing members. This year's outgoing vestry members – Len Boyce, Sam St. Gelais, Michelle Luth, and Robbie Watkins - will be greatly missed. Although they are stepping away from the vestry, each one will continue to serve God and God's people in many other ways. I am truly grateful for the leadership they have demonstrated and their thoughtfulness, their heart, and their generosity of spirit which have enriched our vestry in so many different ways.

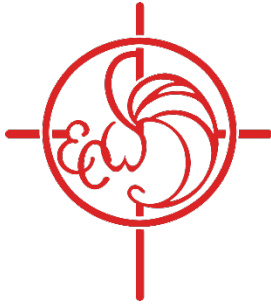

Gratefully,
Chris +

Revelations and Grace in Community

We invite everyone to reach out to touch our upcoming look at the book of Revelations, the last book in the Bible, beginning this Eastertide and continuing into the summer. We hope to combine formal programs with informal gatherings. Grace in Community is a way for members of Grace to get to know one another better, with or without a formal agenda.

Memory Holloway will begin with a visual look at the images of Revelation in a Sunday forum after the 10 am service on April 29th. Rev. Chris Morck will provide a more traditional approach the following Sunday, May 6th. The noontime Bible study group is invited to engage with Frederick W. Schmidt's book Revelation in the Conversations with Scripture series. At 6 pm on Wednesday, May 16th, join us in the Library for pizza and a discussion of Revelation as presented in fiction, as in the Left Behind books. We hope to schedule a quiet day led by Brother John of the Trinity, as well.

As for informal gatherings, we will invite those interested to sign up on line or by leaving a note in the collection plate, to be matched randomly. Some may wish to meet without any agenda. Others may like to meet to sample Trinity Wall Street's video series, "[The Book of Revelation: The End of the World or Heaven on Earth?](#)"—an online link is embedded in the title. Those wishing to undertake individual reflection need only to read the Book of Revelation itself.
