
Jesus Is The Difference

Verse 1

I woke up this morning and I remembered the past
When I sought contentment but felt peace had by-passed
Where once I'd have thought that nobody could care
Now that I have found you God I'm working out my despair

Chorus

Jesus is the difference I now see
Since He walked this earth and showed to me
How God takes my wrong and shame
How God takes my hurt and blame
Forgives me and saves me
Gives me faith I never dreamed he would
Encourages in me actions that are good.

Verse 2

I think of the times when I've felt like throwing it in
Whether it was people or the load of my sin
It's then that I longed for burdens to be freed
Now you've come into my life and showed me you're the key

Chorus

Ending

Encourages in me actions that are good.
