# *God's Been There Before*

## Verse 1

A worried look is on my face:  
Mostly people and life's fast pace.  
I'm sure that God's been there before.  
I pray for more insight to explore.  
I pray for the right word to say.  
Pray that solutions come today  
And to find God's peace.

## Verse 2

A deep depression or despair  
May seem to be beyond repair.  
I'm sure that God's been there before.  
I pray into life his love will pour.  
I pray that I'll know his spirit's real.  
Pray for his strength and time to heal  
Be assured of God's love.

## Chorus

For every day is about trust,  
To take direction from what God does.  
See what doors will open wide  
To heal the doubt from inside.

## Verse 3

That subtle weakness is such a pain.  
Can't help yourself: it's there again.  
I'm sure that God's been there before.  
I pray that temptation holds no store.  
I pray for the knowledge that others "hurt".  
Pray for resolve to reassert  
And to find God's grace.

## Chorus

## Bridge

Trusting brings awareness  
Trusting brings happiness,  
Hope and peace and love to cure the mind.  
Trusting lifts a burden  
Trusting leads to purpose,  
Learning what's important all the time.

## Verse 4

When with crowd I feel alone,  
Shyly longing to be known.  
I'm sure that God's been there before.  
I pray for assurance God loves me.  
I pray for the courage to be seen.  
Pray that retreat is not for me  
And to find God's peace.

## Ending

And to find God's love.  
And to find God's grace.
