
Believing

Verse 1

Do you think it's crazy believing God exists spiritually?
Do you think it's crazy that God loves every one of us equally?
Do you think it's crazy that God's spirit can keep our souls safe,
Although God chooses to be seen just through faith?

Verse 2

Do you think it's different if peace and love are spread and shared?
Do you think it's different that God's love can motivate actions to care?
Do you think it's different that people give their whole life to serve
Relying on God's spirit when living on their nerves?

Chorus

Faith in God we grow
Helps us know
God's spirit is real.
In faith there is no deal
But a faithful God.

Verse 3

Do you think it's radical to sing and fellowship together?
Do you think it's radical that worship seeks to honour God as we gather?
Do you think it's radical believing that God answers prayer
And finds a way to show us that he really cares?

Chorus

Bridge

No, it's not crazy.
Yes, it is different.
Yes, it is radical.
But it is gladness
And it is joyous, because ...

Chorus

Ending

But a faithful God.
