

Boat & Jet Ski Polish

A new high gloss, long lasting AQUA WAX designed for all hard surfaces on marine vehicles including Jet Skis. Also suitable for motor vehicles working well on cellulose, synthetic, metallic fiberglass, Perspex, plastic and glass surfaces. The product contains no airborne silicones and, used sensibly, will cause no problems in spray shops.

Formulated with special protective compounds for long life, weather resistance, with a new wash ability.

How to Use

1. Ensure the areas to be treated are reasonably clean and dry before using.
2. Apply polish with a soft clean cloth - DO NOT USE ON WINDSCREENS
3. Using a clean duster/buffer, polish off

Ensure the cloth you are using to apply and buff off the product has no small particles caught up in the fibres as you will risk causing scratches.

Health & Safety

Avoid contact with eyes. In case of contact with eyes, rinse immediately with plenty of water for 15 minutes and seek immediate medical advice. If in contact with skin, wash affected area with plenty of clean water. If irritation persists, seek medical advice. Should this product be ingested, drink small sips of water (up to 200/300mls) and seek immediate medical advice. DO NOT INDUCE VOMITING.
